Coat of Arms
of His Eminence
Francis Cardinal Spellman
Archbishop of New York

The red hat with 15 tassels on either side, including the cross, crosier and mitre, represents the rank of Cardinal. The 8-pointed star behind the coat of arms signifies a Knight Commander. The Arms of the Archdiocese, on the left side of the shield, are based on those of the City of New York. A Dutch mill-sail placed diagonally between 4 small figures indicates the original traffic of New Amsterdam. The heraldic "Cross of St. Patrick," the Patron of the Archdiocese of New York, is a red diagonal cross on a silver or white field behind the mill-sail, and the four small crosses indicate the Four Gospels of our Holy Faith. The right side of the shield shows the arms of the Spellman family, a sable field with a horizontal ermine stripe and a gold diagonal with drops of blood. Above the family arms is a silver cross on a red field signifying that the Cardinal is a Knight of Malta.

DEDICATION

"Sequere Deum" -- "to follow Christ" -- is the motto of our Cardinal Archbishop, our spiritual leader in the army of Christ. And now as we go forth armed with a Christian education for which we are indebted to his zeal and foresight, we pledge our fealty and devotion to that ringing challenge. Following his example, we will serve God and country in a fusion of allegiance and personal integrity.

In the sincerity and fervor of our young knighthood, we joyfully felicitate our Knight Commander on the fiftieth anniversary of his ordination to the priesthood and crave no other boon than that, like him, we may be all things to all men as we learn in his footsteps "to follow God."

In Grateful

Mother Mary Kevin, O.P.

We wish to express our sincere appreciation to Mother Kevin for making possible the construction of Albertus Magnus High School. Here we have experienced four fruitful years, filled with dreams, successes, memories, educational development, and spiritual enrichment.

We will always remember our Freshman year with Sr. Theresa Francis as the Administrator of Albertus. We thank Sister for her devotedness and kindness toward the student body.

Sister M. Theresa Francis, O.P.

Recognition

Sr. Walter Vincent, the present Superior of Albertus, will remain in our prayers and good wishes. We thank her sincerely for all her interest and support.

In our memory will be Sr. Noela Miriam and we are grateful for her efforts in guiding us in our educational endeavors.

Sister M. Walter Vincent, O.P.

"Lastly, it is to you, young men and women of the world, that the council wishes to address its final message. For it is you who are to receive the torch from the hands of your elders and to live in the world at the period of the most gigantic transformations ever realized in its history. It is you who, receiving the best of the example of the teaching of your parents and your teachers, are to form the society of tomorrow. You will either save yourselves or you will perish with it."

"It is in the name of this God and of His Son, Jesus, that we exhort you to open your hearts to the dimensions of the world, to heed the appeal of your brothers, to place your youthful energies at their service. Fight against all egoism. Refuse to give free course to the instincts of violence and hatred which beget wars and all their train of miseries. Be generous, pure, respectful and sincere, and build in enthusiasm a better world than your elders had. "

Pope Paul's Visit

The Vatican Pavilion -- a modern confirmation that the 20th century still reverences the beauty and wisdom that inspired the glory of the Middle Ages.

The message of Paul to all men:

The power and wisdom of Rome is laid at the disposal of all mankind -- a healing balm, a strengthening support, a compelling challenge to the fulfillment of human destiny.

Let the world know this: the Church looks at the world with profound understanding with sincere admiration and with a sincere intention not of conquering it but of serving it, not of despising it but of appreciating it, not of condemning it but of strengthening and saving

Pope Paul VI

The Vicar of Christ appears among us bearing an olive branch of peace.

His gentle holiness wins all hearts in loving subordination to his fatherly wisdom. Like a knight of old he enters the great hall of the world's peacemakers, inspiring them with his own burning love for unity and charity.

He exhorts the prelates and laity in his own Christian army to fight valiantly in the cause of peace and extends a loving benediction over the four quarters of the earth as a Prince of the Church and a ruler of men unite in paying homage to this ambassador of the Prince of Peace.

1. The first step is to identify the main components of the system. This includes the hardware (CPU, memory, storage) and software (operating system, applications).

2. The second step is to analyze the system's performance. This involves monitoring key metrics such as CPU usage, memory usage, and disk I/O.

3. The third step is to identify any bottlenecks or areas of improvement. This can be done by comparing current performance against benchmarks or historical data.

4. The fourth step is to implement optimizations. This may involve upgrading hardware, adjusting system settings, or rewriting code.

5. The fifth step is to test the optimized system. This ensures that the changes have been implemented correctly and that the system is performing as expected.

6. The sixth step is to document the results. This includes creating a report that details the findings, the optimizations made, and the resulting performance improvements.

7. The seventh step is to schedule regular maintenance. This ensures that the system remains optimized and that any new issues are identified and addressed promptly.

8. The eighth step is to provide training and support. This ensures that the users of the system are aware of the optimizations and can provide feedback if needed.

9. The ninth step is to review the process. This involves reflecting on the steps taken and identifying any areas for further improvement.

10. The tenth step is to implement the improvements. This involves making any necessary changes to the system based on the review.

A Tribute to

John Seeger

May 31, 1964

"In tragedy there is glory; in sorrow there is happiness."

" . . . now John is enjoying the glory of God.

He was so full of life and vigor that he never tired of making a fool of himself.

His smile made you happy all over.

He was always so cheerful and happy that he gave love to everyone.

A typical American teenager .

His words and actions will always be remembered.

Gentlemanly and soft-spoken .

John was the best friend a fellow could have.

"The boy is gone -- but the memory will live forever."

"The Church is particularly anxious that this society should allow free expansion to her treasure ever ancient and ever new, namely faith; and that your souls may be able to bask freely in its helpful light. She has confidence that you will find such strength and such joy that you will not be tempted as were some of your elders, to yield to the seductions of egoistic or hedonistic philosophies or to those of despair and annihilation, and that in the face of atheism, a phenomenon of lassitude and old age, you will know how to affirm your faith in life and in what gives meaning to life, that is to say, the certitude of the existence of a just and good God."

J. W. FULTON, OF THE UNIVERSITY OF CALIFORNIA.

1. The first step is to identify the problem or question that needs to be addressed. This involves understanding the context and the specific requirements of the task.

1. The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system of equations (1) as $\epsilon \rightarrow 0$. It is shown that the solutions of the system (1) converge to the solutions of the system of equations (2) as $\epsilon \rightarrow 0$. The convergence is uniform on compact sets of the domain Ω .

"The Church looks to you with confidence and with love. Rich with a long past ever living in her, and marching on toward human perfection in time and the ultimate destinies of history and of life, the Church is the real youth of the world. She possesses what constitutes the strength and the charm of youth, that is to say the ability to rejoice with what is beginning, to give oneself unreservedly, to renew one's self and to set out again for new conquests."

"For four years the Church has been working to rejuvenate her image in order to respond the better to the design of her Founder, the great Living One, the Christ who is externally young. At the term of this imposing re-examination of life, she now turns to you.

Look upon the Church and you will find in her the face of Christ, the genuine, humble and wise hero, the prophet of truth and love, the companion and friend of youth. It is in the name of Christ that we salute you, that we exhort and bless you."

"YOUNG MEN"

A Friend To Remember

We in the graduating class of 1966 wish to show our gratitude and appreciation to a wonderful friend and chaplain.

Father Terence Reilly was here at Albertus throughout our Freshman, Sophomore, and Junior years. He left his mark in our hearts and we will always remember his smile, his instruction, and his humor.

We have felt his absence this past year but we wish him much success and happiness wherever he may go.

Dear Sue. (Moose)

It's the end of the school year. And usually I'd say I would be seeing you again but as it stands ~~and~~ I won't. I have to say even though I complained & complained about your Yule's midnight telephone calls, steady as they were I enjoyed every minute of them. Needless to say I'm going to miss them too. I just don't know what I'm going to do having no one to say "I'm going to fail the Regent." to. And how could I ever forget you at our lunch table, yes I'll never forget "Old Moosey." Well I wish you the best of luck in your new home and new school. Don't forget me "I ^{know} never will forget you.

Love ya,
Dalene

Dear Sue -
Be good & have fun
this summer. Don't
worry, you will - you're
a great kid. See ya next
year.
Hew-ya!
Tileen

Dear Sue,
It's hard to believe
that you won't be
here next year. I'll
miss you but I'll
always remember
the fun we've
had. (Like Earth Day).
I'll never forget you.
When you board please
write. Love
Monica

Dear Sue,
Always stay as
sweet & nice as you
are. Remember me!

Love

Dear Sue,
I really don't
know you that well
but all I can say is
that I'll probably see
you next year. Love ya
Mary

Dear Sue,
Have a nice summer.
See you next year.
Love
Elizabeth
